The cicle of the sonne. xxvij.
The flesshe. ix wekes and one day.

ye shal vnderstond that all other thinges that ... wont to set here ye shal fynde ... all merked yn the almynack ... sonday lettre: feestes movabill: emberyng dayes ãd all thy haly dayes of the yere with the nombre of the dayes: of euery monyth with the correspondẽt to the same nombre.

Moreover ye shal fynde after oure olde custume vppõ whate day that the sonne is chaungeth her syne. And also yn whate signe ãd degre that the mone ys frõ day to day at none. ye shall also fynde the newe mone ãd full mone with her quarters written all along vppon whate day: houre: and mynute that they shall be with her effectes or qualitees wherunto she shal for the most part be enclyned. Also ye shall fynde all the dayes that be good and elect for blodeletting to take medycyn: to bathe and sowe byfore none or after none.

This betokeneth good to lette bloude byfore none.
This betokeneth good to lette bloude after none.
This byfore and after none.
This to take medicyne byfore none.
This after none.
This byfore and after none.
This betokeneth good to bath.
This betokeneth good to sowe.

ye shall deligently marke that ye shal not lette bloude or stryke eny vayne or other thing there the mone is: as when the mone is yn the Fysshes: so shall ye not stryke the fote vayne.
